LBN

Information About This Service

Our SBN Broadband service offers post-paid asymmetrical internet interface speeds up to 100/20Mbps via the Local Broadband Fibre Network where available with an unlimited data allowance per month (fair usage policy applies)

Mandatory Components

If your existing connection is nonstandard, LBN Co will discuss any additional charges with you and these charges will appear on your first bill. You will require a router or firewall at your premises for this service to work. We will deliver your service to the Network Boundary Point at your premises, which is defined as the physical port or 'UNI' on the LBN Network Termination. The cabling that is required in your premises beyond the Network Boundary Point is your cost and responsibility, as is the provision of a suitable 240V AC power outlet. Please contact us for further information. All bills are delivered by email and Direct Debit from either a bank account or credit card is required.

Minimum Term

Our LBN plans are available on 1 month and 24-month terms. Please refer to your solution proposal for further information or contact us to discuss your plan options.

CRITICAL INFORMATION SUMMARY

Fair Use Policy

You must comply with our Fair Use Policy and not use your services in an unreasonable or fraudulent manner, or in a way that detrimentally interferes with the integrity of the network. We may take action if you breach the Fair Use Policy, including suspending or cancelling your service.

Speeds

Actual speeds will vary and are affected by network infrastructure, internet connectivity, wireless interference, limitations of connected devices, cabling, bandwidth of other services (e.g. p2p games, website, download sources), VPN's, Streaming services and other users on the network. Speeds may be slower when devices are connected by Wi-Fi.

NBN Service Termination Policy

Purpose

This policy outlines the terms and conditions under which an NBN service may be terminated, either by the customer or by the provider. All termination requests must be made in writing to ensure clarity and proper record keeping.
